

May 2026

Dear Owner,

Thank you for your patience as we complete the transition following Vickery Energy Exploration II, LLC's ("Vickery") acquisition of Tribune Resources, LLC and Tribune Minerals, LLC (collectively, "Tribune"), which finalized on January 6, 2026. We hope our initial letter provided helpful background on who we are and your options for direct deposit going forward.

This letter outlines the important next steps—how to contact us, how your revenue payments will be handled, and how to enroll in direct deposit and EnergyLink. Please note that your new owner number will be provided on your revenue statement in the top left corner.

Your Point of Contact Going Forward

Effective immediately, Vickery is your operator of record and your single point of contact for all questions, concerns, and correspondence related to your interest. Please direct all future inquiries to our Owner Relations team rather than to Tribune.

You can reach us through any of the following:

Owner Relations — Vickery Energy

Phone: 817.889.8400

Email: ownerrelations@vickeryenergy.com

Website: www.vickeryenergy.com

Our website is the fastest way to find answers to frequently asked questions, access owner resources, and submit inquiries directly to our team.

Revenue Payments

Beginning with March 2026 production (paid in May 2026), all applicable royalty and revenue payments will be issued directly by Vickery. You will no longer receive payments from Tribune.

Payments are processed on or before the last day of each month and will be accompanied by a detailed revenue statement unless you have enrolled in EnergyLink. Your first payment from Vickery will include your assigned Owner Number, which you will need in order to enroll in direct deposit and EnergyLink.

As a reminder, your ownership interest, lease terms, and underlying rights are not affected by this transition. Only the entity responsible for operating the wells and issuing payments has changed.

How to Access Your Account on EnergyLink

1. Visit www.energylink.com and click “Create an EnergyLink Account.”
2. Enter all required information. You will need the following on hand:
 - Company or individual owner name
 - Oil and gas operator company name (Vickery Energy)
 - Your Owner Number, along with recent revenue check information (check number, date, and amount)
3. Create a new password by following the online instructions.
4. Activate your account by clicking the link sent to your email.
5. If you have any questions about using EnergyLink, please contact their support team at www.energylink.com/contact.

How to Enroll in Direct Deposit (ACH)

We strongly encourage all owners to enroll in direct deposit. Benefits include:

- Enhanced security — electronic transfers reduce the risk of lost, stolen, or fraudulent checks.
- Faster receipt — funds are deposited directly into your account, often earlier than a paper check would arrive.
- Greater convenience — no trips to the bank or waiting on the mail.

To enroll in direct deposit, please follow these steps:

1. Scan the QR code below to access the enrollment form:

2. If you have difficulty with the QR code, please visit www.vickeryenergy.com, navigate to the “Owners” tab, and select “Click Here” under the ACH Agreement section.
3. Complete the online Direct Deposit Authorization Form. You will need your bank’s routing number and your checking or savings account number.
4. Submit the form electronically, along with a copy of a voided check or a signed letter from your bank (on bank letterhead) confirming your routing and account numbers.
5. Allow 30–60 days for processing. You will receive a confirmation email once enrollment is complete.
6. If you prefer not to enroll online, please contact our Owner Relations team to request a form by mail.

Thank You

We are grateful for the opportunity to serve as your operator and are committed to providing timely, accurate payments and transparent communication. We look forward to a long and productive relationship.

If you have any questions regarding the information in this letter, please do not hesitate to contact us at 817.889.8400 or ownerrelations@vickeryenergy.com, or visit www.vickeryenergy.com.

Sincerely,

The Vickery Energy Team
